BUILT TO SCALE. WIRED TO WIN.

FOR OUR VALUED CLIENTS

You've got momentum. Let's compound it.

Thank you for trusting Haze Tech with your growth. Here are the ways we can take what's working and scale it further — plus a way to earn while you're at it.

Ready when you are

Automate the busywork

If a task happens more than twice a week, we can probably automate it — onboarding, invoicing, reporting, follow-up sequences.

Scale your content

Add platforms, increase cadence, or layer in paid amplification to put your best content in front of more of the right people.

Level up your site

New landing pages, funnels, or a redesign — built to convert the traffic your marketing is already earning.

Own your search

Turn one-time visitors into a steady pipeline with SEO and local search that keeps working long after launch.

Earn by referring

Know a business that needs us? Earn **10%**.

Refer a business to Haze Tech and earn **10% of their first invoice** (minimum \$50) the moment they become a paying client. No limit on how many you refer. Get your unique link at hazetechsolutions.com/affiliate.
